

Bronx Baptist Church After School Program

The Bronx Baptist Church has sponsored an After School Program since 1977 for children ages 5 to 11 years of age. The children are escorted from the school at dismissal and taken to our center.

This program is well known to neighboring schools in the community and also through the church's outreach mission.

One of the main focus' of the program is to provide homework help. It is also designed to provide a wide range of indoor and outdoor activities for the children. The program benefits the parents who work as well as those parents who are not fluent in English and depend on us to help with homework. Challenging equipment is also provided to enhance their intellectual, social and emotional skills.

The program begins each year on the first day of the reopening of the public school and follows the dates on the academic calendar of the Board of Education.

Parents pay a minimum fee to the church and also supply their children with an afternoon snack each day.
